

PROCLAMATION

From His Steadfastness, Marius Lindon the Freeholder, Spokesperson for the Deomanry League,

To His Most Resolute Magnitude, Watcher Magnus Drianian, Fearless Iron Wolf, Beloved of Heironeous, Commandant of Gran March, Terror of the Baklunish, Scourge of the Humanoids, Humbler of the Flan, Hammer of the Neheli, Enemy of the Great Evil, Overseer of the Nine Baronies of the True March, Protector of Farvale, Lord of the Dim March, Sovereign of the Rush March, Liberator Of Hochoch and Right and True Vassal of His Peerless Majesty, Kimbertos Skotti.

Whereas, the situation in Geoff is near and dear to our hearts, as the Plight of Those oppressed by the giantish Scourge is keenly felt by our entire Citizenry, and

Whereas, the Gran March is bravely attempting the Succor of the People of Geoff in the Lost Lands of the northern Sheldomar, and

Whereas, our Citizens and the People of the Gran March are oft of common Mind and Cause in this and other Matters, and

Whereas, the military Might of both our Nations is incontrovertible, and both our Armies are tempered in the Forge of Conflict with Enemies both Man and Beast, and

Whereas, the Militia of the Deomanry has no Equal in the Combat of Giants and their foul Spawn, and has rid our Lands of their hated Presence on many Occasions, thus

Be it resolved, that the following Proposals be made with the full Weight of Law in the Deomanry, and are Effective upon their Ratification by the Rulers of the Gran March:

Militia and Army troops of the Deomanry be involved in Exercises of mutual Training and Advice with those of the Gran March, that both our Forces might grow in Puissance and Skill, to be used towards our Nations' beneficial Ends, including the Liberation of the Lost Lands of Geoff from the Tyranny of the Giants, and that

Ambassadors be exchanged between the Gran March and the Deomanry League, for the purpose of Regulation of such Exercises, Command of the Troops so Engaged, and the Administration of our Countries' respective Law upon the Soldiers in each others' Lands, and that such an Ambassador be selected and dispatched by the Freeholder with all due Consideration, and that

Our two Peoples continue in the path of Allies, furthermore seeking Ways in which we might benefit each Other and all the Lands of the Sheldomar, with the good Grace of the Gods.

Ratified this 3rd day of Richfest, Common Year 591, in Common Council of Crosspokesmen on behalf of the Free Citizens of the Deomanry League.
